IMPORTANT DECISION.

Court of Appeals Affirms Judgment as to Building Association Fines.

A decision of importance to building associations was handed down by the Court of Appeals in the case of the Perpetual Building Association of Covington against Theodore Kleimeier and wife. The latter borrowed \$2,500 from the association, the association retaining \$98.76 for premiums. He failed to pay \$3 weekly and the association added fines of 50 cents weekly. The association finally entered suit in the lower court.

Kleimeier's defense was that plaintiff's claim was largely made up of usury and fines to which it was not entitled by law, though contracted for, and demanded that the premiums and fines should be credited off the loan.

The opinion says that the defendant is entitled to have all the payments made by him applied first to the extinguishment of the interest and then the principal, and that all charges against him by the company in excess of 6 per cent. interest should be disallowed.

AWARDED \$6,000 DAMAGES.

Judgment Against Georgetown Water Company for Failing to Maintain Sufficient Pressure.

GEORGETOWN, Ky., Oct. 21.—In the Circuit Court here this afternoon in the case of Mrs. Mary Cecil Cantrill against the Georgetown Water Company and R. W. Nelson, of Newport, the jury awarded the plaintiff \$6,000 damages.

In January, 1901, Mrs. Cantrill's residence and a portion of its contents were destroyed by fire. It was one of the most handsomely furnished homes in the State, and Mrs. Cantrill brought suit against Mr. Nelson, who was the sole owner of the water plant, for \$12,000 for loss on the furniture on the ground that a sufficient pressure was not maintained in the water mains to put out the fire.

The case was tried before Special Judge James Y. Kelly and consumed more than a week. Mrs. Cantrill is the wife of Circuit Judge James E. Cantrill.

Mr. Jesse Ham had a very narrow escape Tuesday afternoon while employed at Mathews & Co.'s saw mill. He was setting the main shaft when his clothing was caught in the machinery and he was whirled violently around the shaft three times. His clothing was finally torn loose, releasing him from the grip of the machinery, and this was all that saved his life. He was considerably bruised, but escaped without serious injury. Mr. Ham moved here from Carlisle last spring.

To those who have not availed themselves of our clock bargains will say we will continue this clock sale for awhile longer. Never have such handsome clocks been sold for so little money.

That band of dirty, thieving Gypsies that passed through Maysville a few days ago have struck Newport. The Times-Star says a couple of the women entered a jewelry store and while one of them was trying to induce the proprietor to let her tell his fortune, the other stole a pair of valuable bracelets. He missed the goods shortly after they left, and pursued them and forced them to return the stuff. At a millinery store they stole several bolts of fine ribbon.

Brooding over constant ill health and while supposed to be temporarily insane Mrs. Joseph McLaughlin, of the eastern part of Bath County, committed suicide by hanging. She sent her children away from home, and then going to the rear porch of the house where the children had a swing, took the swing rope and got upon a box, tied the rope to a beam to make it shorter, then tied the rope around her neck and pushed the box away with her foot. Her neck was broken by the fall. Mrs. McLaughlin was forty years old and was a daughter of John Doyle, of Lewis County.
